Sports Premium Report 2017 - 2018 (Academic Year) Heathfields Infant School

The Sports Premium is funding provided to schools which is in addition to the main school funding. It is up to schools to decide how the Sports Premium is spent since they are best placed to assess what additional provision should be made for the pupils within their responsibility.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Heathfields Infant School receives a funding allocation of **£16,000**

Area of need	Intervention/Description	Amount	Desired Impact
Raise the profile of P.E and physical activities around the school	Purchase P.E equipment that can be used for inside and outdoor P.E lessons. Purchase equipment for the children to be able to use for physical development at break times and lunchtimes.	£10,000	For the children to engage in more than the allocated time of physical activities. For the percentage of children measured as overweight or more than overweight to be reduced over the next few years. For more children to enjoy and actively choice of physical exercise activities at lunchtimes. For an increased number of extra-curricular activities to be offered to the children.

			The school competes in competitive sports organised by the local sports council (2017 Tri-golf)
Increase the experiences offered to the children in P.E. Engagement of all pupils in regular physical activity	Extend the P.E curriculum to involve life skills. All Year 2 children will experience a term of swimming.	£3,000	Children are confident at swimming pools. They know and understand the water safety rules. All children are confident at getting in and out of the pool. All children to develop their swimming skills and increase their fitness levels. Children become interested in a sport and become regular users of a local facility (Wilnecote Sports Centre).
Engagement of all pupils in regular physical activity. Increase the experiences offered to the children in P.E.	All children are to experience additional P.E lessons that extend the schools previous physical education curriculum. Children are to participate in a weekly Relax Kids session.	£3,000	For the children to broaden their knowledge of physical activities. For all children to participate in a weekly sporting event. For the children to experience a healthy lifestyle and be aware of the choices they make upon their lives - happy and healthy lifestyles being promoted.
