

Heathfields Infant and Wilnecote Junior School
Sports Premium Funding Report
2017-2018

We appreciate the contribution of PE to the health and well-being of our children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

We have inter-house competitions across KS1 and KS2 as well as a full summer sports day covering many areas from the PE curriculum. Teachers and coaches provide a wide range of after school sports clubs, both for team and individual sports.

What is the Sports Premium?

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Each school will receive **£16,000** plus an extra £5 per pupil this year.

The money can **only** be spent on sport and PE provision in schools.

During the 2017-2018 academic year the PE and Sports funding will be used in the following way:

Autumn Term

- All children will receive additional relaxation sessions to develop strength and support mental well-being.
- Extra-Curricular sessions will be provided to promote healthy lifestyles.
- New resources will be purchased to extend the activities provided to children during PE lessons.

Spring Term

- All Year 2 pupils will receive a 45 minute weekly swimming session.
- All children will receive additional relaxation sessions to develop strength and support mental well-being.
- Extra-Curricular sessions will be provided to promote healthy lifestyles.
- Children will have the opportunity to work with a qualified coach to improve fitness and physical education skills, the coach will support teachers' skills in delivering the curriculum.

Summer Term

- All children will receive additional relaxation sessions to develop strength and support mental well-being.
- Extra-Curricular sessions will be provided to promote healthy lifestyles.
- Children will have the opportunity to work with a qualified coach to improve fitness and physical education skills, the coach will support teachers' skills in delivering the curriculum.

Impact to day

- Children are more aware of the importance of looking after their health, including mental health.
- Children have daily access to fitness activities in a variety of ways including wake and shake, brain gym, Relax Kids, P.E. lessons, equipment at unstructured times.
- Children are more physically active during break times due to the increased amount of equipment provided equipment provided.
- Children have a greater understanding of what makes a healthy diet, although they do not all make the correct choices.
