Admission Arrangements Normal Age of Entry: Academic Year 2028/2029

In accordance with the School Admission Regulations Heathfields Infant Academy wishes to hear your views on its proposed changes to admission arrangements for September 2028.

Your opinions are important to us, and we are keen to receive your comments on our admission arrangements before they are formally approved.

The consultation will close at 5pm on Friday 23rd October 2026. Wilnecote Junior Academy propose that pupil admission number (PAN) be reduced from 90 to 60 from September 2028. This means that the number of places available for children in Year 3 in September 2028 and all subsequent Year 3 cohorts will be 60. For children who already have a place in the school the year groups will not change.

This is the only proposed change to the admission criteria; all other criteria will remain the same.

Rationale

- The following factors have been considered by the school and Fierte Academy Trust when deciding to consult on this proposal:
- The pupil admission number for this cohort at Heathfields Infant is already set at 60 children.
- There is a decreasing birth rate in the local catchment area.
- Reducing the PAN will ensure the maximum possible revenue will be received for each cohort and our resources are used more effectively across the school.
- Funding is largely related to the number of pupils on roll and vacancies in classes result in a negative impact on the school budget. With a PAN of 60, all spaces in a class will be filled and the school can operate more efficiently and cost effectively, giving every single pupil the best possible education.
- New building in the local area is not predicted to increase pupil numbers in our local community catchment area.
- Reducing the PAN will assist the school in providing stability in long term planning and allow high quality educational outcomes for pupils.
