## 29.01.21

TBQ: Can I use a range of techniques to solve a range of mathematical questions?

### Counting

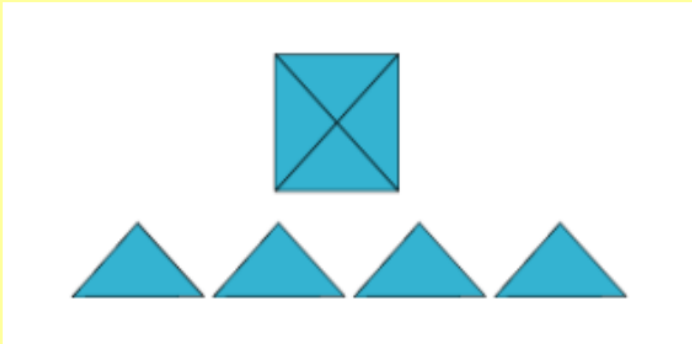

Count backwards in 25's from 250

Use the vocabulary below to create accurate sentences about the numbers!

multiples factors prime composite

### Starter

If you cut a square diagonally from corner to corner you get four right-angled isosceles triangles.

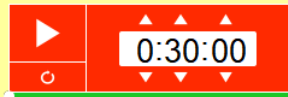

How many different shapes can you make by fitting the four triangles back together?

You may only fit long sides to long sides and short sides to short sides.

### Main Session

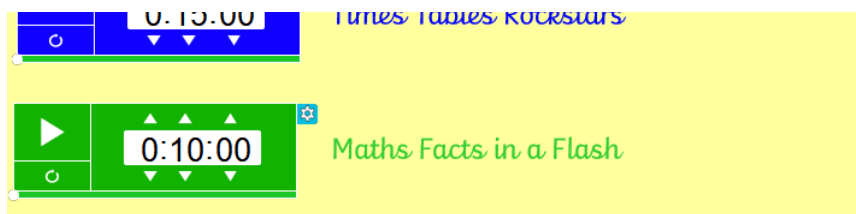

You are going to have the following times to complete the following activities. Remember to show your working if needed - Accelerated Maths is not a mental maths test!

Accelerated Maths - complete both your class and your shape groups

Times Tables Booklet

A battle has been set up across year 5 so that you can please against your friends! It is on 'battle of the bands' on TTRS! It runs from 9.15am to 11am today!
