

## Maths 05.02.21

---

Thursday, January 07, 2021 1:37 PM

### TBQ: Can I solve a variety of questions involving all operations?

Your task today is to complete your **class** and **shape** activity on **accelerated maths (30 minutes)**, try to master some levels on **maths facts (15 minutes)** and then spend some time on **TTRocks (15 minutes)**.

Remember to carefully work out the answers for accelerated maths.

Here is the link to the accelerated website.

<https://ukhosted94.renlearn.co.uk/2247863/>

If you do not have access to the internet, please do an hour of maths learning from your **orange** KS2 SAT's book.
